

Open Coordinator Positions for Walker Returning Hearts Celebration

It will take many people, in many roles to make the Returning Hearts Celebration at Walker Prison a great day for fathers and their children. In addition to the volunteer positions on the day of the event, there are several activities that need a coordinator prior to the event. If you are interested in being a coordinator for one of the areas listed below, please contact Andrea Shelton at ahbeatbound@comcast.net or 404-262-0709.

As a coordinator of one of these areas you can encourage your church, friends and family to work with you and take an activity part in making a difference in the lives of the dads and their kids. Helping make phone calls and gathering gifts and supplies is a great way for others to help that might not be able to attend Returning Hearts.

Thank you for your prayerful consideration of taking on one of these positions. Your sacrifice of time will mean so much to the families of Walker.
